## Speakers Follow Example Of Music Department

The contagion of spectacular success has spread into the speech department at Mt. Miguel High School following the music department's recent victories in big events.

Bud Carey, Miguel senior was also a defending champion and he won again too. He surpassed 582 county high school students in retaining the Outstanding Advanced Speaker crown.

**Miguel's Dave Reid won the Outstanding Novice Speaker crown. His and Carey's wins were the only two awards taken by individual speakers at the tournament.**

## Linen Closet Looted In Rash Of Minor Crimes

Mrs. Mildred Byrd, 3940 Massachusetts, L.G. reported to the sheriff's department that during the months of November and early December, someone familiar with her home entered it and helped themselves to contents of her linen closet.

The items had been kept in boxes on the shelves of her closet, and the marauder restacked the boxes, so that the theft was not discovered for some time. Entry, she said, must have been made through the front door with a defective lock.

**LITTLE BOY PEEP**

A sheriff's unit on routine patrol unearthed two teenagers 17 and 15 years, loitering on Campo Road, S.V. around the Spring Valley Mobile Lodge. They were betrayed by their bicycles which had been parked in the brush across the street from the Lodge. On questioning the boys admitted they had been peeking in the windows of the trailers. One of the boys has a record of burglary, auto theft, suspected arson and petty theft, and is on parole.

**MIRROR CRASHERS**

Howard William Dye, 10331 Madrid Way, Spring Valley, reported that for the second time, a passer-by broke the side view mirror worth $5.50 on his '61 Borgward automobile.

## L.G. Junior High Students Present Yuletide Program

"Play A Song Of Christmas" was the program at Lemon Grove Junior High on Dec. 12 and 13 in lieu of the PTA meeting for December. This annual gift to the community given by the orchestra, verse choir and choir was an outstanding and beautiful tribute to the season.

Lemon Grove Junior High parents and students are most fortunate to have Harry Weisgerber directing orchestra and Harold Starkey instructing the chorus, reports Mrs. H. M. Foote, PTA publicity chairman there.

The December board meeting was held Dec. 12 and the members decided to donate money for a much needed coffee maker instead of exchanging gifts this year.

## Rod And Gun Club Will Distribute Free Toys Here

The Lemon Grove Rod and Gun Club this Christmas will distribute free toys to children in the area. It will be the first year for this activity by the group and it has come about through the efforts of Mrs. Sandy Sommers, owner of the S. V. Sporting Goods Store.

She found out last year what toy places do with defective toys and was put on a list of donees. The club started receiving the imperfect toys and fixing them recently. Les Phillips of S. V. Lumber Co. has been providing storage for them.

People knowing of children who would like toys, may call Mrs. Summers at HO 9-8947. President of the Rod and Gun Club is Bud Rahrig, 8704 Troy st., Spring Valley.

**NO POLIO CASES OCCUR FOR YEAR**

**San Diego County has just completed a full year with no case of paralytic poliomyelitis reported, according to the San Diego Department of Public Health. There were 27 cases of polio in 1960, with one death, the Department reports. The last case was reported in Nov. of 1960.**

## L.G. Man Earns Bank Promotion

Glenn E. Sundvold of 3168 Massachusetts Ave. in Lemon Grove has been named assistant manager of the First National Trust and Savings Bank's Fourth and Laurel Street office.

In January of 1960 he moved to the Lemon Grove office. He was named assistant manager of the local office in December of last year and in May returned to the main office as an installment loan officer.

## 200 New Chairs Disintegrate At L.G. Schools

**School chairs, 200 of them, are going back to the L.A. sales organization, L.G. school district trustees decided Monday night.**

The chairs were sold to the district earlier this year for approximately $1,200 but they started breaking up under the impact of the district's vigorous students.

The board also decided not to release Contractor J. Henry Bender from a mistake in arithmetic at the Mt. Vernon school. Decomposed granite amounting to about $5,000 was overlooked by Bender in estimating the bid. Trustees expect Bender to supply it.

District Superintendent Byron Netzley was instructed to apply for $75,000 under Public Law 874 to cover costs of handling 786 federally-connected children in the district schools.

## Phone Conversion Starts Dec. 15

The gradual conversion to All-Number Calling for San Diego County will get underway Dec. 15, according to D. G. Langille, division commercial manager for Pacific Telephone. The complete change to all numbers is expected to take several years. Present plans call for all California communities to have ANC by 1966.

The only listings to be all numbers in the January 1962 San Diego County telephone directories will be official telephone company numbers.

### Would The Grand Jury Recommend Mr. Creason?

**The San Diego County Board of Supervisors last week appointed Robert Creason, 38, to the post of county coroner-public administrator at an annual salary of $14,760.**

Creason, a nine-year employe of the San Diego police department, was deputy coroner from 1955 until April of this year at a salary of $7,044. He resigned at that time with a blast at Coroner A. E. Gallagher who now has turned in his resignation effective Jan. 8.

**Creason was suspended for 30 days in June 1959 after a Grand Jury investigation disclosed that Creason had been selling photos of accidents, using county materials, without paying the county. The incident was dated as 1956 and the amount small, less than $100, and other members of the coroners staff were reported as doing the same thing.**

The supervisors, more aware of the situation than their action indicated, announced that they made the appointment "after long deliberation" and that Creason was the only applicant "with the necessary qualifications."

**Supervisors' "qualifications" apparently do not require persons seeking public office to be clear of the taint of a Grand Jury charge relating to using public property for private gains, but they ought to.**

Holding public office demands public faith and the Grand Jury has left some question as to whether Mr. Creason can completely qualify in this respect.

### Of Thee We Sing . . . !

**The information officer of the State Department of Water Resources has ordered California Governor . . . . . 's name to be used in every press release distributed to news media.**

The edict was issued by Frank Bragg, information officer for Director William E. Warne and it said that Gov. . . . . 's name was to be used in every release, no matter what the subject matter.

**In 1959, Gov. . . . . 's press secretary ordered all departments to send summaries of their new releases to Gov. . . . . 's office for approval so that an image of a progressive administration might result.**

The easiest way to break the public's confidence in the state's highest office is to admit that the flow of news is controlled. By such a device, the public will be led to believe that only information that is beneficial to the administration is given out. Adverse publicity, therefore, would be kept hidden. That would be censorship, plain and simple.

**The use of public information to carry the name of the governor of this great state to the credulous people of the hinterlands for the purpose of gubernatorial publicity is a form of prostitution of the press.**

We believe that news properly belonging to the public need not be scattergunned with Gov. . . . . 's name.

**Gov. . . . . 's name should be used wherever it gives the news story meaning.**

To the end of determining how much importance Gov. . . . . 's name becomes in stories regarding the state, we are experimenting with the treatment shown above.

**In case you don't know to whom we are alluding in the blanks call the editor of this newspaper and we'll give you the first two letters of his name. When you pay next year's subscription, we'll give you the rest.**

## Kids To Bowl Free At Bowlero

**A Christmas party for all youngsters under the age of 14 will be held December 21 at the Lemon Grove Bowlero.**

**It is sponsored by the L.G. Rotary club and admission tickets are being distributed through L.G. schools. In all, about 5,000 youngsters will bowl free of charge. They will get free bowling instructions, free use of bowling shoes, free refreshments and toddlers will be provided for in the Bowlero nursery.**

**Tickets are also available in limited numbers from Lemon Grove business firms.**

May all your Christmases be bright! To make them brighter, buy U.S. Savings Bonds where you work or where you bank.

## Perjury Conviction Follows L.G. Woman's Robbery Case

SAN DIEGO (CNS)—A Coronado sailor accused of lying on the witness stand to keep another Navy man from going to prison for a crime committed in Lemon Grove pleaded guilty Friday in Superior Court to perjury charges and was then freed on bail so he could get married.

George Berry McNair, 28, a Boatswain First Class stationed at the Coronado Amphibious Base was indicted Thursday by the grand jury for perjuring himself when he testified at the trial of Robert Louis Trujillo, convicted last September of robbing and assaulting a Lemon Grove housewife.

Trujillo had pleaded not guilty to charges he attacked Mrs. Martha Lukass, of 1622 La Corta, Lemon Grove, and stole $2,375 worth of jewelry from her. Police said that Trujillo had gone to the woman's home in answer to a newspaper advertisement for the sale of a wristwatch and diamond ring. He escaped, but was later recognised on the street by the victim's husband and arrested.

After his conviction by a jury, Trujillo admitted to a probation officer that he committed the robbery. Judge Ronald Abernethy, who imposed sentence on Trujillo, denounced him as a perjurer. "He delib- [illegible] perjury in this court." I think he is guilty of subornation of perjury in obtaining witnesses who came here and testified in his behalf," Abernethy stated. Numerous Navy personnel, including McNair, testified in Trujillo's behalf.

Sentencing for McNair, who also appeared Friday before Judge Abernethy, was set for Dec. 27. The punishment for perjury is a term of one to 14 years in prison. McNair was married to Virginia Christensen at church services in Coronado at 5 p.m. last Friday.

Trujillo was given a term of one year to life in state prison by Judge Abernethy.

# Grossmont College District Sets New Bond Election

### Heavier Vote Sought Through Consolidation With June 5 Primary

**Voters in the Grossmont Junior College District, which includes Lemon Grove and Spring Valley will vote again June 5 on a bond issue to finance land and facilities for a Grossmont College campus.**

The consolidation of the bond election with the June 5 primary was decided upon by the board as a means of attracting a heavier vote and reducing the costs of holding the election.

**District costs will be reduced from $8,000 to $2,000 through this consolidation.**

Announcement of the amount to be asked for in the bond election has been postponed until Jan. 8.

Also decided upon at the Monday night meeting of the Grossmont board of trustees was an option agreement on purchase of a 132-acre junior college site north of Fletcher Hills. The board deposited $500 with each of three property owners for an option period extending beyond the bond election.

**CONTRACT AUTHORIZED**

The board also authorized a contract with architect Richard Wheeler and Associates, Koebig and Koebig for architectural services which established a system of progress payments as the planning of the college facilities proceeds.

If the election carries in June, the options will be exercised and taken to escrow.

**Grossmont college students early this semester expressed their disappointment at the Oct. 10 failure of the bond election by making a mock burial site indicating when the college had been born and when it died. The setting of the new bond election renews hope among the student body for a campus of their own. The college now shares Monte Vista High School Campus in Spring Valley.**

## S.D. Police Chief Replaces Bert Strand As Sheriff

SAN DIEGO (CNS) — The resignation of Sheriff Bert Strand and the appointment of San Diego Chief of Police Elmer Jansen to succeed him followed in quick succession Tuesday before the County Board of Supervisors.

Strand, 70, who previously announced that he intended to retire, filed a letter setting Jan. 8 as his last day in office.

Supervisors shortly thereafter went into executive session. They emerged 10 minutes later with Jansen himself, to announce his appointment.

Jansen, 58, has been chief of police since 1947. He joined the City of San Diego police force in 1932. Before that he had six years with the sheriff's department, along the border. He is a resident of La Mesa, the second from that city to be appointed to a county post in a week.

The Board appointment is for Strand's unexpired term, which runs out at the close of 1962. Jansen said he will seek election in the June primaries. His post will pay $19,800 annually, compared with the $16,920 he receives as chief of police.

However, Jansen is eligible for retirement as police chief, on a pension, and he said Tuesday he will ask to be retired as of the day he takes over as sheriff. His successor will be named by Tom Fletcher, the San Diego city manager.

Jansen will face opposition for election, as Joe O'Connor, chief of police of El Cajon said after the appointment that he was in the sheriff's race to stay.

William Howell, marshal of the San Diego judicial district, another would-be candidate, could not be reached for comment after Jansen's appointment.

The retiring sheriff, Strand, has been in the sheriff's department for 29 years, with 20 as sheriff. He served for 20 years before that in the U. S. Navy.

# Monte Vista High Claims 2 Basketball Wins In Row

by Bill Ott

**First year Monte Vista claimed two basketball victories last week behind the accurate shooting of Bob Anderson with a 44-34 triumph over Poway Tuesday afternoon at Poway, and a 61-48 win over Oceanside Friday night in the Spring Valley school's gym.**

Anderson tallied 30 points against the Titans Tuesday scoring 14 goals, and two free throws in the Vistans second victory. The Monarchs shooting carefully, and with accuracy had an amazing 81 per cent shooting record from the floor.

The Monarchs eased to a 16-13 first quarter lead, and rolled to a 24-17 halftime score. Outscoring the Titans 16-11 in the third period, the Monarchs moved into the fourth period holding a 40-28 margin over the north county school. Poway scored 6 points in the final stanza while holding the visitors to 4, but could not close the gap the Monte Vistans built up in the early stages of the meeting.

Hosting Oceanside Friday night, the Anderson lead charges of Coach Bill Gillespie outscored the Pirates in the first three periods for the 61-48 final. The victory gave the Monarchs a 3-2 record for the early hoop season.

Anderson connected for 14 goals, and three free throws in his 31 point effort, and was helped out in the scoring column by center Lyle VanNorman who meshed in 16 points for the winners. Holding a 14-9 first quarter lead, the Monarchs amassed 23 points in the second quarter for a 37-27 halftime margin. The winners outscored the Pirates 12-9 in the third quarter, with both teams scoring 12 points each in the final period for the 61-48 Monte Vista victory.

## Mexican Pupils To Visit Golden Avenue School

Language barriers prove themselves minor problems at Golden Avenue School in Lemon Grove as students from "South of the Border" descend upon sixth grade classes here for their annual exchange visitation. Mrs. Evelyn Lauritzen, principal said that 45 boys and girls expected on Fri., Dec. 15 will participate in art, arithmetic, and dancing activities with a minimum of interpretation or translation necessary.

This marks the 10th year that Golden Avenue has played host to Tijuana pupils. A Lemon Grove school bus will pick up the visitors at the border Friday, with arrival here scheduled for 10:30 a.m. The students and their chaperoning teachers, including Mrs. Graciela Sierra, sponsor, will be guests of students of Mrs. Lockey Palermo and Richard Lawrence.

Visiting puipls, all enrolled at Lazaro Cardenas School in Tijuana, will be luncheon guests of the Lemon Grove Kiwanis at the school cafeteria, according to S. K. Solleder, assistant superintendent. Appropriate table decorations are planned.

Each visitor will be assigned a host or hostess from a Lemon Grove sixth grade. The Golden Avenue Student Council plans to purchase a gift to present to the guest school. Enthusiasm has extended to music classes where pupils are learning Spanish Christmas carols for the visitors' entertainment.

Later in the school year, nearer Pan American Day in April, Golden Avenue sixth graders will reverse roles as they journey to the Lazaro Cardenas School across the border. Mrs. Lauritzen stated that this exchange of classes has been so successful here in developing knowledge and understanding of American neighbors that several other school districts are now sponsoring, or plan to initiate, similar visitations.

in the rear of his home, 7601 High st., L.G. hidden in the bushes.

It was taken to the Lemon Grove sub station.

**AUTO PARTS TAKEN**

Fred La Mar Riley, 2255 Sweetwater road, Spring Valley, reported that thefts of automobile parts were made at the home of his father on 7024 Mt. Vernon, L.G. Riley repairs cars and the cars from which parts were taken were stored in the yard.

Thiefs took a trunk lid, two radiators, a tail light lens and a radiator cap. Amount of loss, $111.50.

**EARLY SHOPPER**

An attempt to open the safe at the Thriftimart market, 1049 El Kelton blvd., S.V., was thwarted last week by the early arrival of Lloyd Hydle, market manager. He found the store door partially opened and a burned place on the safe.

Deputy Sheriff's Moore and Bryan, alerted by Hydle, found a vent removed on a door, permitting entry to the office. The trespassers had entered the store by way of the roof vent.

A safety chain had been cut from a door to admit accomplices. The safe was still warm from the acetylene torch flame.

**GAS ILLEGALLY CHARGED**

Robert E. Seward, 4576 4th st., La Mesa, would like to find out who is the person who has been charging gasoline and oil purchases in his name at Bill's Self-Service Station, 7195 Broadway, Lemon Grove. He says the attendant at Bill's Service gave him make and model of the car driven by the unnamed chiseler.

Seward says he knows no one who works for him nor has he a friend who owns such a vehicle. The credit snatcher has run up a bill of $9.43

**ANTI-CHRISTMAS**

Someone in Lemon Grove doesn't like Christmas decorations, apparently, for Merle Meyers, 1617 Skyline dr., L.G., has reported to the sheriff's department that an unknown destroyed a number of his outdoor lights.

Meyers said he had just strung the lights across the front and down the side of his residence, and across part of his fence. Some of the lights on the side and along the fence he said, both globes and bases, were completely smashed by a heavy object. There are adult footprints along the fence and he told the sheriff's officers he found a stick heavy enough to do damage near the fence.

**BB GUN-USER CHARGED**

Three counts of shooting in the county, in residential areas, assault and battery and malicious mischief, went on the record of a 12-year-old owner of a BB gun, living in Lemon Grove, Dec. 5.

According to the sheriff's report, the boy standing across the street and shooting at moving objects, succeeded in shooting Georget Florence Sozzani, 9, of 3115 Chateau Way, Lemon Grove, on her way home from dancing school about 5 p.m. A few minutes before, the young marksman had placed a pellet through the window of the residence of Eckhardt Albert Rusert, 2703 Jaynia, L.G.

The boy tried to deny that he had been shooting that day; said he had not used his gun for two weeks, but an acquaintance walking home at that time had stopped to talk to him and stated the boy had his BB gun in his hand.

**GOLF COURSE GAME LOOTED**

Phillip Morris, owner of the Lemon Grove Miniature Golf Course on School lane, Lemon Grove, reported to the sheriff's dept. that the money box of a machine gun game was removed last Friday from the Golf course.

**MAKE IT A SAFE HOLIDAY, SAYS CHIEF**

Fire has a better chance of striking your home at Christmas than at any other time of year — and for six reasons: 1. A dried-out Christmas tree; 2. Christmas candles; 3. Overloaded circuits; 4. Fireplace sparks; 5. Combustible decorations; 6. Combustible toys. And yet, according to L. G. Fire Chief H. L. Hensley, you can minimize or even eliminate all of these hazards.

For example, get a fresh tree just before Christmas Day, get rid of it before New Year's; be sure to cut off an inch from the base, at an angle, and immerse the tree in a pail of water (check water level every day).

## Piano Party Given Here

A Christmas party was held Monday evening for students of Mrs. Harold Moline and their parents at Mrs. Moline's home, 3424 Glen dr., L.G.

Myrna Wiles read The Christmas Story from Luke while Mrs. Moline supplied background music on the organ.

A present exchange and refreshments concluded the program.

## Atomic Force Sunday Sermon

"The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein." These words of the Psalmist (24:1) are the Golden Text of the Sunday Lesson-Sermon in all Christian Science churches. The question "Is the Universe, Including Man, Evolved by Atomic Force?" is the subject.

Opening the Scriptural selections will be this passage from Psalms (19:1-3, 7, 8), "The heavens declare the glory of God; and the firmament showeth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. There is no speech nor language, where their voice is not heard. . .The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple.

**CANTATA COMING**

The Christmas cantata "Born a King" by John W. Peterson will be presented Dec. 22 at 7:30 p.m., under the direction of Mrs. Harold Moline with Mrs. Al Stone as accompanist. The following lines from Alfred B. Smith, music professor at the Baptist General Conference College and Seminary at St. Paul, Minn. indicates the message that will be given along with the cantata:

"Each year many thousands visit the world-famous Niagara Falls to stand in wonder at its majesty and splendor. At night new inspiration is added to this experience as giant, colored floodlights are played upon the great falls. These colors seem to blend with the mighty roaring waters creating a symphony of color and sound.

"We are told that music and color are related in the spectrum of vibrations. In his new cantata, "Born a King" I feel that John W. Peterson has taken the giant floodlights of music with their multiplicity of colors and has focused them upon the Niagara event of history, "CHRISTMAS. . . . The BIRTHDAY of the KING."

Rev. Ernest Anderson, pastor of Casa de Oro Baptist Church invites all to attend the cantata. A nursery will be provided.

## Army Will Give Christmas Leaves To New Enlistees

MSgt. Edward R. Edwards of the U. S. Army Recruiting Station at 8101 La Mesa blvd., has announced that young men enlisting in the Regular Army for three-year period between now and Dec. 22 will receive a Christmas leave during basic training. This is in keeping with the Department of the Army policy generally adhered to annually during the Christmas-New Year period. MSgt. Edwards said, "This is a good time to enlist since it gives the young man a chance to break up the basic training cycle, plus the opportunity of spending Christmas at home."

Men enlisting for three years during the period between Dec 11 and Jan. 1 may, upon request, be granted leave up to 15 days, to take effect immediately upon enlistment.

Edwards emphasized that never before has the U. S. Army had so much to offer young men interested in travel and technical training, plus a future that cannot be equaled anywhere.

For more information, or a personal interview, interested individuals may contact Sgts Edwards or Meiss by phoning HOpkins 3-3114 or stopping at their office, 8101 La Mesa blvd.

# LM-SV School Board Okays Surveying Of Another Site

The board of trustees of the La Mesa-Spring Valley School District, Monday night voted unanimously to have an engineering survey made of a possible replacement for the abandoned La Presa No. 3 school site, which was voted out on Dec. 2 at a special meeting of the board. It was voted out after several taxpayers in the audience and three board members said cost ($180,000) of the site was "too high."

The new site, termed "Section H" is southwest and southeast of the former site. Board of trustees members have been asked by Dr. M. Ted Dixon, associate superintendent, to tour the proposed site. Dr. Dixon said he is under the impression the new site belongs to the California Water and Telegraph Co.

The board of trustees' also voted Monday night to file a recent grand jury report pertaining to the La Presa sites, and to take up contents of the report at future board meetings. The report of the grand jury in latter November criticized the LM-SV School District for the price of the La Presa No. 3 site, the Oct. 10 school election and other items.

GIFTS DONATED — A brand-new area service club for business and professional women, Heartland Altrusa marked its first Christmas on Wednesday night of this week at a dinner meeting in Clancy's Restaurant, El Cajon. Members observed the Yuletide Season by filling gift lists in three areas of need—back country Indians, mentally retarded and shut-ins.
Holding three of these gifts are women on the committee in charge of the Chirstmas party Wednesday night. They are (l to r) Mrs. Laurel Frisque, 9460 Barbic ln., Spring Valley; Mrs. Louise Warren, 5189 Mt. Helix dr., La Mesa, and Mrs. Ruth Shinnin, 9902 Jamacha blvd., Spring Valley.
Gifts ranged from shoes to candy, according to Mrs. J. R. Billingsley, Altrusa president. Mrs. Lucille Smith and Mrs. Ruth Freeland were co-chairmen of the gift projects.

## Avoid Pile Up Of Christmas Mail Postmasters Plead

"While the time to talk about 'Mail Early For Christmas' has passed, last minute mailers can help us tremendously to avoid serious pile ups of Christmas mail if they'll get all of their Christmas cards and gift packages on their way within the next twenty-four hours," Spring Valley-Lemon Grove postmasters chorused this week.

They suggest that you use Air Mail for every Christmas card and gift package going to distant places.

Here's a few of the Postmasters' important reminders about Christmas mail.

Don't mail money in Christmas gifts or parcels. Use Postal Money Orders or checks.

Be sure to include full name and address, postal zone numbers, and your return address, written or printed clearly on every card and package.

While Christmas cards may be sent unsealed for a 3c rate, the 4c, First Class sealed rate is best because it automatically assures forwarding if the addressee has moved and has left a new address, or the card is returned if it is undelivered (providing you have put your return address on it.)

Insure parcels and register letters of real value.

Parcels containing delicate gifts must be marked "Fragile," and food stuffs should be marked "Perishable" if they are subject to spoilage.

### MANHOLE DAMAGES SOUGHT

SAN DIEGO (CNS)—Investigation of a claim against the county for damages allegedly resulting from a loose manhole cover on the sewage system in Quarry road, just off Sweetwater road, was ordered Tuesday by the County Board of Supervisors.

C. Ray Hawker filed a claim for $400 against the county, alleging that this much damage was done to a pickup truck owned by Charles Pardue. The investigation is to be made by the county counsel's office.

# SANTA'S MAILBAG

**Here are the latest letters from children living in this area. They tell of the many wishes of children at Christmas. If you haven't written your letter to Santa, better hurry. Just write: Santa Claus, North Pole. The post office turns the letters over to this newspaper because Santa clips them out and puts them with his gift list, which is the longest in the world.**

IDEAS FLYING

# Grossmont College Faculty, Students Direct Cerebral Activity Toward New Campus

The Grossmont College faculty and administration have started brainstorming ideas for the physical facilities of the campus to be built in Fletcher Hills.

The group will break into subcommittees and prepare an initial report by April 1.

On the faculty unit, each representing a subject area are: Donald E. Anderson, business; Robert W. Danielsen, English; Martin Gerrish, speech and drama; Alvin A. Hanson, architecture and drafting; Thomas Hepp, library; Robert W. Holden, engineering; Marjorie Hyde, art; Charline Lamons, reading laboratory; Donald G. Lewis, music; Ray C. Resler, earth sciences; Ray P. Reynolds, journalism; Thomas P. Ruth, social sciences; Morgan E. Shelley, health and physical education; George Washington, foreign languages; Walter F. Whitmann, chemistry and John W. Wilton, biological sciences.

Dean of Student Affairs John A. Burdick will develop ideas for a student union, and Dean of Admissions and Guidance Laurance C. Coons will work on administrative and counseling facilities.

**STEERING UNIT**

Steering the faculty committee and the deans will be a unit composed of Associate District Superintendent Harold Hughes; Curdon Smith, school building planning director; Grossmont College President John S. Hansen and Dean of Instruction Charles C. Collins.

In an advisory capacity will be Ralph Kellog, junior college coordinator for the county schools office; Pete Siebke, project director for the architects, Richard Wheeler and Associates; and Don Dauwalder, director of the Grossmont College-San Diego City College —Southwestern College study of vocational-technical instruction needs in the San Diego area.

At the first faculty committee meeting, Associate District Supt. Harold Hughes told the faculty members that the "next few months will be critical in determining the kind of college program and college facility that will develop." He said planning the campus "will call for our most creative thinking, since our ultimate goal will be to present to the architects a clear and understandable statement of present and future educational specifications."

**INFORMATION PLEASES**

Last week's space didn't permit giving you the information obtained regarding the Dictionary Hill development. The ringing of the phone showed me you wanted to know about it, so here it is.

The bonded indebtedness will affect no one outside of Improvement District 3 and 4, which is the south half of Dictionary Hill. Only those owning land in this section will be paying for the improvements. It was in this same way that many other once barren areas of Spring Valley were brought to fruition.

The development, which is just in the planning stage will not affect the Spring Valley Sanitation Plant until the planned outfall line is completed, so no burden will be added here.

Documents regarding this information are available to anyone wishing to see them.

**GLENN MURDOCK ELECTED VEEPEE**

The California Association of School Administrators recently elected as their vice president, Glenn E. Murdock, superintendent of schools for the La Mesa Spring Valley school district.

**COURTHOUSE VS. SCHOOLS**

Two unconnected items in the newspapers last week drew my attention. When set side by side, you wonder if there is a way since the Little Red Schoolhouse. Educators are no longer the unmarried schoolmarms whom the citizens are doing a favor by giving a job. Today's citizens will not take a hammer and saw and any extra lumber they may have and build a school.

connection.

The first item applauded the completion of the $11 million courthouse to be dedicated in San Diego on Dec. 15. The other criticized the price of the school site in La Presa and the school administrators.

## Area Writers Club To Make Awards For Xmas Works

The La Mesa Writers Club will hold its annual Christmas party Mon., Dec. 18 at 1:30 p.m. at the home of Mrs. Mary Murphy, secretary, 4637 Toni ln., San Diego (two blocks west of 70th off Tower st.) There will be no regular meeting during the day, but the Christmas stories and poems that were submitted earlier this year will be read and prizes awarded for the best ones. For those who have no transportation to the party, there will be transportation available at Porter Park Hall, La Mesa Blvd. and University ave. (east end) at 1 p.m.

Biggest drag bucket in service eats up 50-ton loads with each bite at a South American mine. The 35-cubic-yard monster was made of 5-inch steel plates fabricated with the Dual Shield welding process. It is worked by a dragline with a 220-foot boom, and can dig material 170 feet below ground level.

Runway water, normally a hazard because it slows aircraft on takeoff, may be put to advantage. Some airports are considering using a trough of water at the end of runways to eliminate overshoot accidents on landing.
